2020 OWLS HONORED

Mitch Hettinger

“The Original Voice of the Owls”

Mitch Hettinger began his younger years at the Owls Field having played Little League baseball, playground, and Legion baseball at the Owls Field. As a Legion player in 1973 and 1974, his love for the Owls Field continued after his playing days into his adult life by becoming a club member, Head Coach of the City-County Jr League team from 1976-1979, Head Legion coach from 1980-1985, and then into an Administrative role as President (1982) and Treasurer (1982-1986; 1993-2012). His hard work, dedication, and volunteerism helped evolve the Owls Sports Club into a Nationally recognized organization. He continues to be the “Voice of the Owls” to date and provides his baseball friendly voice and eclectic musical selections to make the Owls Field at Ted Palka Park a fun place to relax and watch a game.

Kurt Behrenshausen Retired #19

Kurt Behrenshausen began his career as a player for the Owls in 1978 until his final year in 1983. In 1987, the Owls Sports Club took a chance on former teammates and friends (Tony Matz III, Head Coach; and Kurt Behrenshausen, Assistant Coach) to take over the Legion program. Kurt assisted in the Owls first Berks County Championship in many years in 1991. After the 1992 season, Kurt stepped away from the dugout to start a family. He returned to the dugout as an assistant under Tony Matz III in 2001 focusing on the hitters, catchers, and outfielders. He coached and helped evolve the baseball program to National Prominence in 2005, the Owls first National Regional berth. He stepped away from the dugout for good in 2012. He continues to be a “roving” coach for practices. He continues to be an active member and Executive Board Trustee of the Owls Sports Club. He is also one of the main reasons the Owls Field at Ted Palka Park is revered as the finest amateur baseball complexes around the State of Pennsylvania due to his dedication to detail around the field.

Steve Carroll Retired #8

Steve Carroll's ability to help mold the personalities and baseball skills of our young players has stood out year after year. In 2020, he is entering his 27th year as a member of the Owls Sports Club and pitching coach for the Legion program. A 1989 graduate from Governor Mifflin High School and 1994 graduate of Shippensburg University, Steve was a member of the Shippensburg Raiders Baseball program in 1993 and 1994. Steve joined as pitching coach with the Owls Legion program under head coach Tony Matz III in the summer of 1994. Influenced by many wonderful Owls family and friends, Steve has become an integral member who helped transform Owls Field into a nationally known facility. Steve continues to serve as Vice President of the Owls Sports Club. You will continue to find Steve either on the mower cutting the field or in the bullpen working with a pitcher.

Owls Sports Club, Inc.

A Timeline

January 6, 1941: 1st meeting of the unincorporated Owls Sports Club at Clubhouse Rooms, 2344 Penn Avenue, West Lawn, PA. Meeting presided over by temporary President Joe Kline .. “After having appointed Lewis Frey temporary Secretary, Joe Kline gave a short talk on the origin of this club. Through the efforts of the five club members, namely, Joe Kline, Samuel Hettinger, Casper Simon, Harry Peiffer, and Robert Sheidy, and the cooperation of the officers of the defunct West Wyomissing Athletic Club, namely, Paul Potteiger, Harold Meyer, Chester Morgandale, John Gilbert, and James Smith, it was decided to merge these two clubs into one in order to further the activities in sports of these local communities.” (*Owls Sports Club minutes as reported by Temporary Secretary Lewis Frey, January 6, 1941 ... - September 1992: Executive Board recommends and General Membership approves the plan to renovate the Owls Field, including lights, electronic scoreboard, new fence enclosing entire playing field, new playing surface, eventual elimination of the softball field in left field, new dugouts, new press box/concession stand/garage, underground irrigation system, terraces for park-like seating.

- **2020** The COVID-19 Pandemic strikes the World causing the cancellation of all professional, collegiate, and high school sports across the United States which included the cancellation of the American Legion World Series, National Regionals and PA American Legion Baseball. Many organizations across the State of PA attempted to form independent leagues for a late summer last hurrah of baseball.

Through the efforts of many volunteers over a 70+ year span of time, the Owls Sports Club stands out as an example of the long-term vision of ten men who first started the Owls way back in 1941. Through some good times and some lean times, the Club has endured and persevered. The multitude of volunteers have stepped up to help in many ways, and the present edition, is proof of that devotion to keep the Club and its endeavors moving forward throughout the 21st century. We, of this generation, can only say thank you and hold many of these original Owls, of the greatest generation, in our thoughts and our hearts. We, of this generation, need to keep and carry the torch for their gift of the Owls to us and to future generations, so that American Legion Baseball can continue to prosper and be a solid foundation for our children and grandchildren. The 2020 edition of the Owls Sports Club salute that group of men, of the greatest generation, who created and passed on this gift, so that we may pass it on to our future. *God Bless America!*

Love is the most important thing in the world, but baseball is pretty good, too. - Yogi Berra

"Kurt, Congratulations on the retirement of your WL Owls #19. I've had the pleasure of seeing you wear the uniform as an American Legion player and coach. So many memories of watching Legion-level baseball (still my favorite) on cold spring days, warm summer nights, hot and hazy days or unwelcomed rain delays. But one thing I have always expressed to you, was watching you on the ball field, it was evident you were in your happy place! Your smile exuded passion and love of the game! Our kids have all eloquently spoken of your loyal dedication and lessons they have learned from you, so I will simply agree with them, to keep this short. I am proud of you!"
Love always, Rita (AKA "Winter Wife" 😊)

"Congratulations on being recognized for all your hard work and dedication over the past many years! It was always so much fun working with and learning from you at the field!" Love, Bryn

"Dad, Congratulations on your well-deserved recognition for all you've done for the Owls organization throughout your lifetime. You've instilled the importance of hard work, passion, and dedication, and you certainly practice what you preach. You'll always be my favorite coach, and the third best announcer in the family!" Love JB

"Dad, Through your hard work and dedication to the Owls Sports Club, you have shown the value of volunteering and giving back to your community. You are a role model to your family, friends, coaches, and players. You continue to inspire me everyday and I am so proud of you! You deserve this honor and recognition!" I love you! Andrea

"Kurt, The West Lawn Owls have been an integral part of our family for decades! As a fan, a City-County player, a Legion player, a coach, a father, a groundskeeper, and a club member, you have kept the legacy going since the 1970s!! Your service, dedication, time, and commitment have made me proud, and now you will forever be honored and remembered as #19! Good work, Brother!" Eric and Cheryl

"This well-deserved honor—the retiring of #19—marks the culmination of a passionate and inspiring career. It symbolizes not only your hard work and talent but also the many hours of entertainment and joy you brought others who, like you, simply love baseball. Your enthusiasm as a player—and, later on, your expertise and integrity as a coach—were evident to anyone who followed your career with the West Lawn Owls. And we're so lucky to have been among them! We'll always remember climbing through the brush and down the path from Nan and Pop Burdan's house to catch you in action, or pushing little ones in a stroller or wagon to congratulate you on a win or console you if you felt you hadn't contributed your best.

Our memories of watching you play Owls baseball are vivid and fond ones. We'll never retire them."
Congratulations and much love, Bernie, Janet, Bryan and Brent Behrenshausen

**"Congratulations Kurt #19!"
We love you,
Mom and Dad**
