Owls Sports Club, Inc.

A Timeline

January 6, 1941: 1st meeting of the unincorporated Owls Sports Club at Clubhouse Rooms, 2344 Penn Avenue, West Lawn, PA. Meeting presided over by temporary President Joe Kline .. “After having appointed Lewis Frey temporary Secretary, Joe Kline gave a short talk on the origin of this club. Through the efforts of the five club members, namely, Joe Kline, Samuel Hettinger, Casper Simon, Harry Peiffer, and Robert Sheidy, and the cooperation of the officers of the defunct West Wyomissing Athletic Club, namely, Paul Potteiger, Harold Meyer, Chester Morgandale, John Gilbert, and James Smith, it was decided to merge these two clubs into one in order to further the activities in sports of these local communities.” (*Owls Sports Club minutes as reported by Temporary Secretary Lewis Frey, January 6, 1941 ... - September 1992: Executive Board recommends and General Membership approves the plan to renovate the Owls Field, including lights, electronic scoreboard, new fence enclosing entire playing field, new playing surface, eventual elimination of the softball field in left field, new dugouts, new press box/concession stand/garage, underground irrigation system, terraces for park-like seating.

Through the efforts of many volunteers over a 80+ year span of time, the Owls Sports Club stands out as an example of the long-term vision of ten men who first started the Owls way back in 1941. Through some good times and some lean times, the Club has endured and persevered. The multitude of volunteers have stepped up to help in many ways, and the present edition, is proof of that devotion to keep the Club and its endeavors moving forward throughout the 21st century. We, of this generation, can only say thank you and hold many of these original Owls, of the greatest generation, in our thoughts and our hearts. We, of this generation, need to keep and carry the torch for their gift of the Owls to us and to future generations, so that American Legion Baseball can continue to prosper and be a solid foundation for our children and grandchildren. The 2022 edition of the Owls Sports Club salute that group of men, of the greatest generation, who created and passed on this gift, so that we may pass it on to our future. *God Bless America!*

“The one constant through all the years has been baseball. America has rolled by like an army of steamrollers. It’s been erased like a blackboard, rebuilt, and erased again. But baseball has marked the time. This field, this game, is a part of our past. It reminds us of all that once was good, and what could be again.” - James Earl Jones in Field of Dreams.
